

Raw Materials Industrial Workshop

"Raw Materials in the Core of EU Industrial Value Chains"

12th November – Raw Materials Week (Brussels)
Organized by COST CRM-EXTREME & Fundacion ICAMCyL
Venue: Hotel Marivaux – Federico Fellini Room

Final Agenda

09:00-09:30 **Registration**
09:30-10:00 **Institutional opening**
Organizing Committee / EU Commission

RAW MATERIALS VIEW IN THE CORE EU INDUSTRIAL VALUE CHAINS

10:00-10:30 **UMICORE - Towards an EU Battery Industry: How can recycling contribute to Europe's ambitions**
Dr. Fabrice Stassin, Manager EU Government Affairs

10:30-11:00 **Raw Materials and the Aviation Value chain**
Dr. Christos Katsiropoulos, University of Patras

11:00 - 11:30 **Coffee break & networking**

11:30-12:00 **FORD – Raw Materials and the Automotive Value chain**
Dr. Özgü Özsoy, Lightweight Projects Leader FORD Otosan

12:00-12:30 **ITIA - Tungsten Industrial Importance**
Dr. Burghard Zeiler, Secretary-General of the International Tungsten Industry Association (ITIA)

12:30-13:00 **CALEF – Welding and Additive Manufacturing for CRM Optimization and Management**
Dr. Claudio Testani, Researcher

13:00 - 14:30 **Lunch break & networking**

RAW MATERIALS, INNOVATION AND INDUSTRIAL REGIONAL STRATEGIES

14:30-14:45 **Introduction and moderation by ERRIN**
Pirita Lindholm, ERRIN Director

14:45-15:00 **Smart Specialisation Platform for Industrial Modernisation (S3P-Industry), "Advanced materials for batteries for electromobility and stationary energy storage"**
Dr. Jorge Pérez, ICAMCyL Foundation

- 15:00-15:15** **Smart Specialisation Platform for Industrial Modernisation (S3P-Industry), "Raw materials mining and processing"**
Kristiina Jokelainen, Director, International Relations and S3 Implementation - Regional Council of Lapland
- 15:15-15:30** **Raw Materials and the industrial strategy in Castilla y León, Spain**
Dr. Santiago Cuesta-López, General Manager of the ICAMCyL Foundation and Cluster Manager of the Iberian Sustainable Mining cluster
- 15:30-15:45** **Raw Materials and the industrial strategy in Marche Region, Italy**
Maria Farano, Communication Coordinator Cluster Marche
- 15:45-16:00** **Raw Materials and the industrial strategy in Lapland, Finland**
Seppo Ahola, Artic Smartness Cluster.

SMEs IN THE RAW MATERIALS SECTOR

- 16:00-16:20** **EIT KIC Raw Materials - Opportunities for SMEs in the Raw Materials sector**
*Dr. Tony Hand, Senior Advisor – Mining Technologies and Sustainability
EIT RawMaterials GmbH*
Dr. Antonis Politis, Business Developer at EIT RawMaterials CLC East
- 16:20-16:40** **Innovation Greece: SMEs and the raw materials sector**
Dr. Evangelos Kosmidis, Vice President of Innovation Greece and CEO of DRAXIS Environmental s.a.
- 16:40-17:00** **SME history of success 1: Monolithos Ltd. (Greece)**
Dr. Iakovos Yakoumis, CEO
- 17:00-17:20** **SME history of success 2: Diad Group (Italy)**
Dr. Sergio Durante, CEO
- 17:20-17:40** **SME history of success 3: Selektif Technology (Turkey)**
Dr. Figen Kadirgan, Founder
- 17:40-17:50** **Conclusions and Wrap-up**
- 17:50-18:30** **Synergy boot camp – ELEVATOR PITCH FOR SMEs - posters and networking**

ORGANIZING COMMITTEE:

Dr. Santiago Cuesta-López (ICAMCyL Foundation / COST CRM EXTREME) Coordinator
Dr. Jorge Pérez Barrio (ICAMCyL Foundation)
Dr. Iakovos Yakoumis (MONOLITHOS / COST CRM EXTREME)
Prof. Maria Letizia Ruello (UPM / COST CRM EXTREME)
Dr. Shai Essel (Technion Institute of Technology / COST CRM EXTREME)

Free attendance but registration is compulsory. Very limited spaces available.
